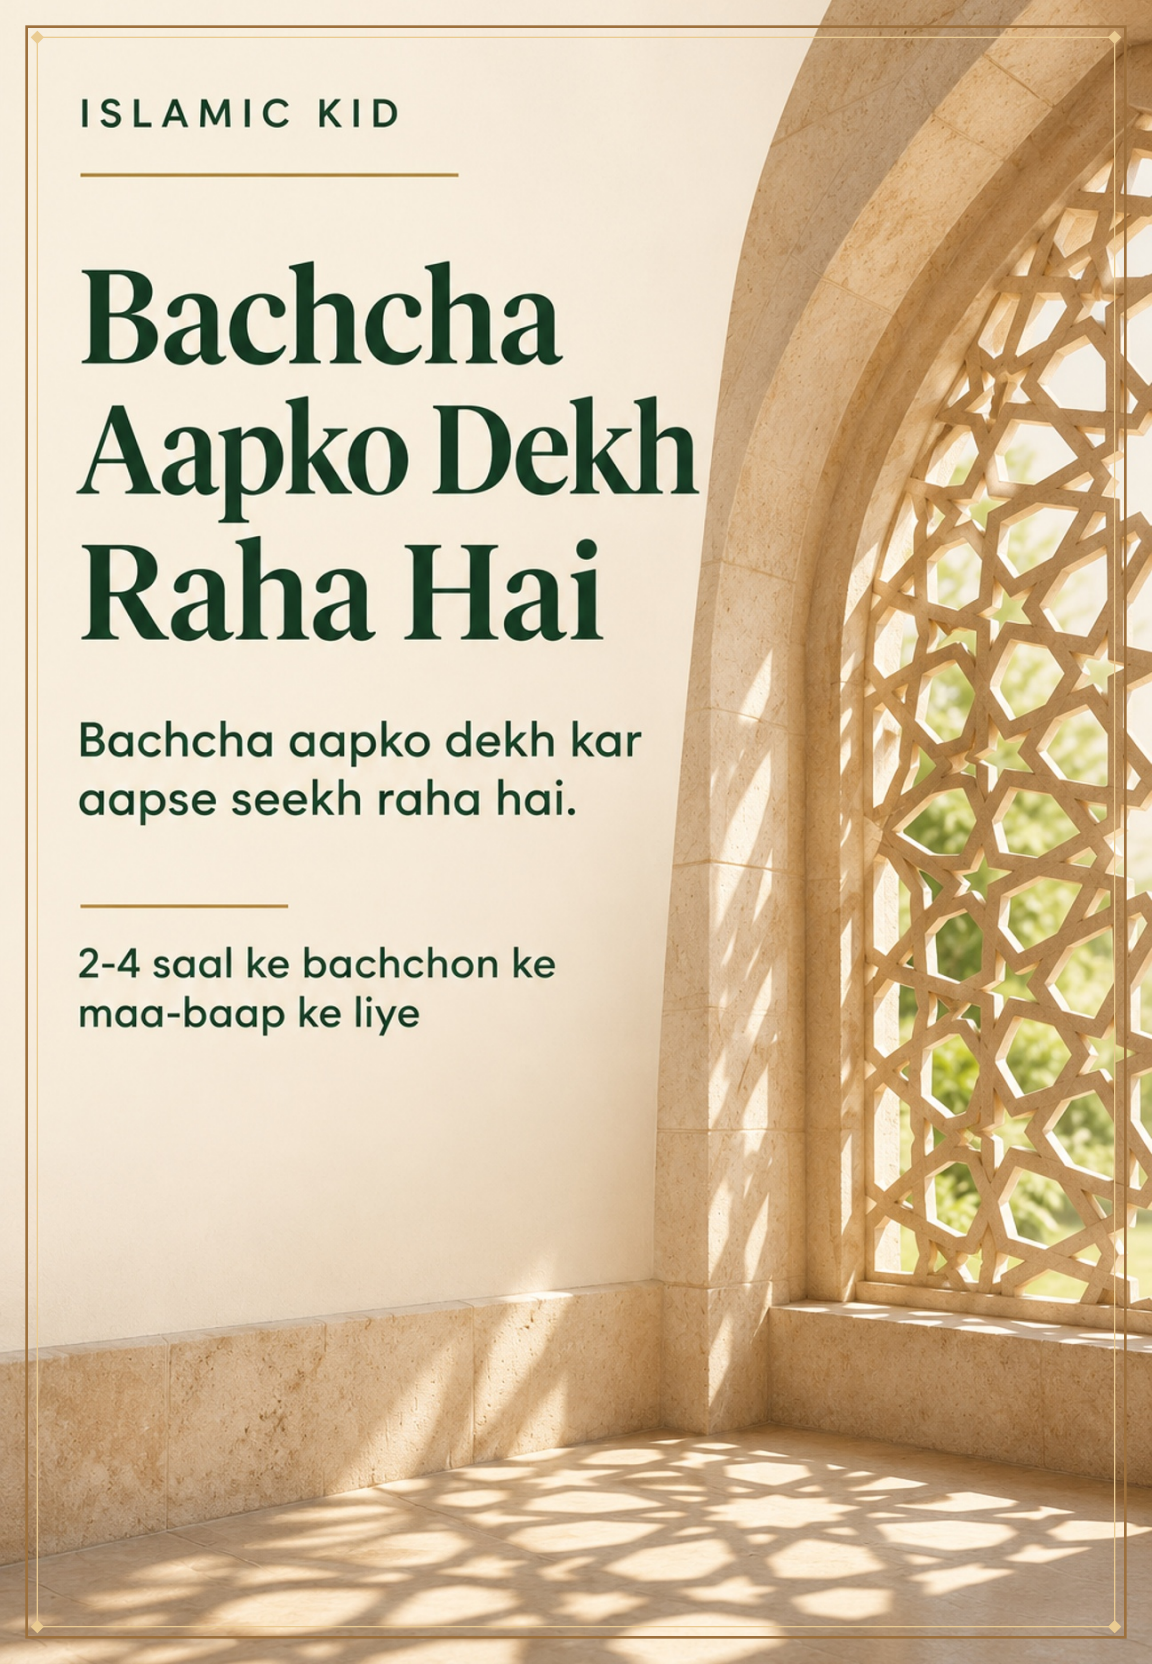
Bachcha Aapko Dekh Raha Hai

Bachcha aapko dekh kar aapse seekh raha hai.

2-4 saal ke bachchon ke maa-baap ke liye



Ghar ko bachche ki nazar se dekhiye

Aaj ek pal ke liye sochiye. Jab aap ghar aate hain, khana khate hain ya kisi se baat karte hain, bachche ko aapke amal mein kya nazar aata hai?

Is guide mein aath aise manzar hain jo ghar mein aksar saamne aate hain. Dono maa-baap inmein se ek manzar chun sakte hain aur us waqt apne amal par dhyaan de sakte hain.

Is hafte ek lamha chuniye.

Ghar aana, khana shuru karna ya kisi ki madad karna.

MANZAR 01

Salam se ghar mein aaiye

Darwaza khulta hai. Maa ya baap ghar mein aate hain, apnon ki taraf dekhte hain aur salam karte hain.

MAA-BAAP KE LIYE

Ghar aate waqt jo ghar mein ho, use narmi se salam karein. Bachcha dekhta hai ki apnon se milte waqt hum unki taraf dhyaan dete hain aur pyaar se baat shuru karte hain.
